RINGHIERA
FACILE

RINGHIERA SISTEMA "FACILE"

Per la realizzazione di muri di cinta e recinzioni nasce
SISTEMA "FACILE" la struttura modulare composta da
pannelli 20x120 cm.

Sistema "Facile" delimita, protegge e abbellisce la nostra
casa con un design moderno ed essenziale.

Il modulo è composto da 4 lastre alloggiate in pilastri
d'acciaio zincato e verniciato.

THE "EASY" RAILING SYSTEM

For the realization of boundary walls and fences it's born
the "EASY" SYSTEM, the modular structure composed
of 20x120 cm panels.

The "Easy" System defines, protects and beautifies
our house with a modern minimalist design.

The module consists of 4 plates housed in pillars
of galvanized and painted steel.
